CONSIDERATION OF APPROVAL FOR A BEER & WINE LICENSE FOR WILD AND FREE COLORADO, LLC dba WILD AND FREE LOCATED AT 761 W ANEMONE TRAIL, UNIT B, DILLON COLORADO.

Staff received a completed application for a beer and wine license on November 8, 2021. The property was posted and notice of this hearing was published in a publication of general circulation.

Kendra L. Carberry, local liquor licensing authority, stated this is a liquor license application hearing for Wild and Free Colorado LLC dba Wild and Free. Ms. Carberry asked who was present today and Michelle Flickinger, owner, was present. She then opened the public hearing at 10:03 a.m. and swore in Ms. Flickinger.

Ms. Flickinger explained her business is an indoor play space for children and opened in July 2020. Her original business plan was to incorporate beer and wine service to the adults but due to COVID, she put those plans on hold. She is now able to move forward with her business plan and will offer canned beer and canned wine to the adult guests while the kids are playing.

Ms. Carberry asked the applicant who will be serving the alcohol and how will it be served. Ms. Flickinger replied she will be serving the beer & wine on a bar and will have cubbies that will block off the space to the alcohol which will be stored in two locked refrigerators, located behind and under the bar, with no public access. Once they receive their beer or wine, they can stay within the café area but the entire premise will have the liquor license to allow freedom of movement.

Ms. Carberry asked the applicant if she circulated the petitions herself. Mr. Flickinger replied that she circulated them and many were excited by this prospect.

Ms. Carberry asked if she has experience in alcohol beverage sales and service and how many employees did she have. Ms. Flickinger replied she completed an online eTIPS course and received a Certificate of Completion and she is the only employee.

Ms. Carberry asked if the Town Clerk needs additional information. Adrienne Stuckey, Town Clerk, replied no.

Ms. Carberry stated until she has the liquor license in hand and the property is inspected, you cannot serve any alcohol.

Hearing Officer Carberry stated based on the testimony and petitions, the current needs and desires are not being met by the current liquor establishments and the applicant is qualified to hold this license, she granted the beer and wine license for Wild and Free Colorado LLC dba Wild and Free.

ADJOURNMENT

There being no further business, Hearing Officer Carberry declared the meeting adjourned at 10:10 a.m.
